

BENEFITS OF SPONSORSHIP

We are applied geology!

AEG is one of the very few organizations dedicated to supporting applied geology. Members of AEG include geologists specializing in engineering geology, environmental geology, and hydrogeology as well as other professionals in affiliated fields, such as civil and mining engineering, land use planning, public policy and education.

Go beyond just advertising!

- Connect with over 2,000 members online, in person, and through AEG's publications.
- Support the profession while growing visibility for your business.
