

Top 8 Reasons to Attend a Networking Event!

Networking is considered by many as one of AEG's major benefits. The Student & Young Professional Support Committee has put together the top reasons both student *and* professional members should plan on swapping business cards at the next Section meeting, conference, or other AEG events!

We hope this advice will drive you be involved and attend events with AEG!

Connecting Professionals, Practice and the Public

Top 8 Reasons to Attend a Networking Event!

For Students:

1. Networking!

Meet practicing geologists who want to help give you a chance to succeed! They could be a new referral on your resume, your next colleague, or even your boss some day!

You may learn about companies you didn't know existed, and possibly find a mentor who can assist you in your job search.

For Students:

5. Gain confidence in a professional setting!

What better way to become more polished and relaxed for interviews and presentations than by interacting with other professionals.

For Professionals:

8. YOU are AEG!

Photo from: aegsf.org

You, our professional members, are advocates for AEG. Speaking to just one young member (or potential member) about how AEG has benefited you will help us to grow into a stronger organization and continue to provide outstanding services to our members for years to come.
